To Whom It May Concern:

Terry Mikeska entertained our guests at an event called "A Cause for Celebration" at Bullock's Pasadena on Wednesday, October 18. This was a charity event where a party atmosphere was created throughout the store.

Mr. Mikeska played at a baby grand piano in our Fashion Gallery. He is a vibrant, talented performer who delighted our customers all afternoon and then returned that evening to play a second shift!

We received many compliments on his piano playing abilities as well as his repertoire. He is truly an asset to any event or occasion.

Sincerely,

Dana Prettyman
